

Welcome

IF THIS IS YOUR FIRST TIME at Harvest, we are glad to have you as our guest. We hope this information helps you get to know a little about who we are. Of course, the best way to find out is from the people. You are also invited to stop by our Hospitality Hubs in the Gathering Area.

Worship at Harvest

Harvest has three weekly worship services - one on Thursday evening and two on Sunday morning. The basic pattern for Sunday worship is typically the same at all services. The 9 AM service includes more of the historic liturgy of the church and music from the United Methodist Hymnal. The 10:30 AM service includes a time especially for children and a variety of music led by our worship band. Thursday's sixtyeight service begins at 6:48 PM and typically includes acoustic music, time for reflection, and unique participatory elements. We celebrate communion weekly at all services and gluten free bread is available.

SEED Groups at Harvest

SEED stands for Supporting Each other Every Day. A SEED group is a small group of people who gather to build friendships and grow in faith. One of our newest offerings are LIFE groups, made up of 8-12 people who meet weekly throughout the year in someone's home or here onsite. Harvest also offers a number of courses onsite throughout the year that meet anywhere from 6 to 32 weeks, depending on the curriculum. To find out more, you can check the "small groups" box on the Connect Pad in the attendance folders.

Join Children's Ministry in Sewing Seeds of Faith into Harvest Kids

Our lives are filled with to-do lists, emails, and tasks that never seem to get checked off the list. Years from now, those things will be long forgotten, but the seeds we sow into our kids will become a foundation on which they build a life that follows Christ. In the coming weeks, you will be seeing and hearing from the Children's Ministry team about different ways for you to serve with Harvest Kids on Sunday mornings. Please pray now and ask God if this might be a next step of your faith journey.

HY5 Harvest Youth Fall Retreat October 16-18

Imprint is a Fall Retreat for all 6 - 12 grade youth at the Warren W. Willis United Methodist Camp. It has a mission to empower, to encourage, to give hope, and to educate youth to make a difference with their lives. This year's Imprint theme will challenge us to engage in community. We will dive into concepts of responsibility, stewardship, and intention. How are we called to share our/God's resources? How are we called to care for our world? How are we called to participate in, establish, and engage in community?

This Morning's Scripture Reading

James 3:1-12

My brothers and sisters, not many of you should become teachers, because we know that we teachers will be judged more strictly. We all make mistakes often, but those who don't make mistakes with their words have reached full maturity. Like a bridled horse, they can control themselves entirely. When we bridle horses and put bits in their mouths to lead them wherever we want, we can control their whole bodies.

Consider ships: They are so large that strong winds are needed to drive them. But pilots direct their ships wherever they want with a little rudder. In the same way, even though the tongue is a small part of the body, it boasts wildly.

Think about this: A small flame can set a whole forest on fire. The tongue is a small flame of fire, a world of evil at work in us. It contaminates our entire lives. Because of it, the circle of life is set on fire. The tongue itself is set on fire by the flames of hell.

People can tame and already have tamed every kind of animal, bird, reptile, and fish. No one can tame the tongue, though. It is a restless evil, full of deadly poison. With it we both bless the Lord and Father and curse human beings made in God's likeness. Blessing and cursing come from the same mouth. My brothers and sisters, it just shouldn't be this way!

Both fresh water and salt water don't come from the same spring, do they? My brothers and sisters, can a fig tree produce olives? Can a grapevine produce figs? Of course not, and fresh water doesn't flow from a saltwater spring either.

Live Well: Fall Worship Series

What does it look like to "Live Well?" Depending on whom you ask, you're likely to get a variety of responses to that question. We are turning to the pages of Scripture for an answer. Specifically, we'll be looking at passages from the Letter of James, a small book in the New Testament that has much to say about how we value others, speak to others, honor others, and care for others. We hope you will continue joining us for this series that will have you thinking about where to place your priorities when it comes to crafting the well-lived life.

Harvest Bayshore Prepares for Launch

Thank you to everyone who joined us for lunch in the Bayshore community last Sunday. Please continue to be in prayer for the Bayshore campus of Harvest as we prepare for launch! Our first Sunday of "soft launch" worship was incredible and excitement levels are high. In the coming weeks there are multiple opportunities to be a part of serving the Bayshore community as one church, in two locations.
