

40 WEEKS

START HERE!

Every child (preschool & elementary) deserves at least five adults who are consistent leaders in their lives. Consistent leaders encourage, love, and support children in a safe and fun environment designed to build relationships and form faith.

We want YOU to JOIN 40 WEEKS!

JOIN THE 40 WEEKS TEAM. We will work together, pray together, learn together, and have fun together.

OUR MISSION: Serve, love, and build relationships with the children of our community.

A 40-week commitment means you will:

- be an important adult in the lives of the children, work to build your relationship with them in order to earn their trust and assist in the development of their faith
- show up consistently and on time to build relationships with Harvest Families
- serve every Sunday during the school year (that you are not sick or out of town)
- meet 30 mins. prior to the start of Harvest Kids (8:30am or 10:00am) to pray with one another, encourage each other, and build community over coffee and donuts, get the space ready, and begin to greet early arrivers
- come Sunday morning prepared and work together to support one another
- attend weekly worship at Harvest the hour that you are not serving

Check out all the ways you can serve on the next page!

Why 40 Weeks?

- **Because faith formation matters.** How can we get 3rd graders to open up and trust someone with their confusing questions about God if they have a new leader each week? We want to be there for those children as they ask those tough questions.
- **Because consistency matters.** Pouring into the heart and life of a child over a consistent period of time is powerful! If you only get to work with these children for less than an hour one Sunday a month, your influence is limited. Imagine seeing that child every Sunday! Imagine the connection you can form!
- **Because family matters.** Partnering with families over time means building relationships that make a difference and builds up the Body of Christ.
- **Because you matter.** You have amazing gifts that you can share with the children in our community.
- **Because going to church matters.** When you show up consistently, children and their families show up more frequently because they know you will be there and they want to spend time with you.
